2010-2011 Report
Faculty Welfare – Robin Leonard (Health) and Gabrielle Halko (English), Co-Chairs

- The Committee created and distributed a Qualitative Software Needs Assessment On-Line Survey to all WCU Faculty. The completed report was delivered to appropriate WCU Administrators, including Sponsored Research, Information Services, Academic Computing, the WCU Research Consortium and all College Deans. The Committee's conclusions about the urgent need for the University to purchase software specially geared to qualitative research received overwhelming support from the Senate.
