

## **Assurance of Student Learning (ASL) Review Timeline for AY 2025-2026**

### **October 15: Deadline to Submit Course List Changes**

- All course list changes for the curriculum map should be submitted to [aturner@wcupa.edu](mailto:aturner@wcupa.edu) no later than October 15.
- Course List Change Request Form: WCU Assessment > Nuventive

### **November 1: ASL Data Entry Deadline**

- Data entry deadline for all assessment results and action plans from the previous academic year (AY 24-25). This is communicated to Assessment Coordinators via email and is posted on the [WCU Assessment website](#) and the D2L assessment coordinator homepage.
- **AY 2025-2026 is a Year 2 Review – Results and Action Plans will be reviewed.**
- Assessment coordinators should be working on putting in results and discussing action plans at their Fall departmental meetings to place respective actions in Nuventive.
- This deadline is firm and requests for extensions will be reviewed by the provost's office for approval.

### **November 2 – December 15: ASL Initial Review**

- The University Assessment Advisory Committee (UAAC) and Associate Deans conduct their independent reviews using the [WCU ASL Institutional Rubric](#).

### **December 16 – February 15: ASL Data Analysis**

- Faculty Associate for Assessment analyzes and compiles all feedback submitted by the Associate Deans and UAACs members.
- UAAC and Associate Dean reviews and feedback made available to assessment coordinators in Nuventive.

### **February – March: ASL Review Results Presentation**

- Associate Deans invited to attend a Provost's Executive Cabinet meeting where results of the annual ASL review are shared.
- Exact Date TBD.

### **March – April: ASL Revision Period**

- Academic units that receive less than exemplary scores will have an opportunity to address any deficiencies and resubmit for final review.
- Exact date TBD.

### **April – May: ASL Secondary Review**

- UAAC members and Associate Deans review and rescore revised Nuventive data submissions.
- Exact date TBD

**April:** The annual Exemplary Practices document for programmatic student learning assessment is shared with the university community to highlight effective practices.
