A map of the Falkland Islands (Islas Malvinas) is shown against a light blue background. The islands are outlined in red. A large white rectangular box with a black border is centered over the map, containing the text "UTOPIAS IN THE SOUTH ATLANTIC" in bold, black, uppercase letters. Various geographical locations are labeled on the map, including Hill Cove, Roy Cove, West Falkland, Fox Bay West, Port Stephens, North Arm, Sealion Island Settlement, Port San Carlos, Rincon Grande, and Stanley.

ACCESS TO HIGHER ED

38 colleges had more students from the top 1 percent than the bottom 60 percent

STUDENTS FROM ...	THE TOP 1% (\$630K+)	BOTTOM 60% (<\$65K)
1. Washington University in St. Louis	21.7%	6.1%
2. Colorado College	24.2	10.5
3. Washington and Lee University	19.1	8.4
4. Colby College	20.4	11.1
5. Trinity College (Conn.)	26.2	14.3
6. Bucknell University	20.4	12.2
7. Colgate University	22.6	13.6
8. Kenyon College	19.8	12.2
9. Middlebury College	22.8	14.2
10. Tufts University	18.6	11.8
29. University of Pennsylvania	18.7	16.5
368. Pennsylvania State University	2.3	29.5
457. West Chester University of Pennsylvania	1.1	21.5
546. Temple University	1.2	31.0

These estimates are for the 1991 cohort (approximately the class of 2013). Rankings are shown for colleges with at least 200 students in this cohort, sorted here by the ratio between the two income groups.

VIVAS NOS
QUEREMOS

A large wildfire with a massive fireball in the sky and a forest in the foreground. The fire is intense, with bright orange and yellow flames reaching high into the air. The foreground shows a dark, smoky forest with several evergreen trees. The overall scene is dramatic and alarming, illustrating the impact of climate change on natural disasters.
