OVERVIEW

As WCU transitions to RamPortal, many students have experienced issues with their preferred name reflecting across campus systems.

Hopefully this brief but thorough guide can help you and your friends navigate the name change process, troubleshooting, and more at WCU while we continue to work diligently on this issue.

Thank you so much for your patience and please don't be afraid to reach out to us at the Center for Trans and Queer Advocacy (CTQA) with any unanswered questions about LGBTQIA+ life at West Chester.

FAQs

Frequently Asked Questions

SHOULD THE NAME ASSOCIATED WITH MY EMAIL/THE INITIALS IN MY EMAIL CHANGE?

Without a legal name change WCU's current system does not allow for a change in the initials in your email address. If you are not searchable by email using your correct name, please fill out a service now request.

WHO CAN SEE MY LEGAL/PREFERRED NAME?

Your preferred name will show up on your ramcard and across any frontfacing systems on campus that do not require your legal name. Your legal name is shown in areas that deal with your social security number or need legal ID, like the Registrar and Financial Aid. Any contact to parents or guardians uses legal names.

ServiceNow

Submitting a ServiceNow Request to aid in the name-change process

Sometimes a name change takes a while to take effect, or takes effect inconsistently across the multiple platforms WCU uses.

If you are having an issue with your name appearing correctly across all WCU managed platforms or wherever it should appear, the best option is to submit a ServiceNow request.

Visit the Link below to access the ServiceNow form and describe your issue in as much detail as possible.

Or access the page at:
