

My name is Edwena B. Lanier. I was recently awarded the Charlotte Newcombe Foundation. My anticipated graduation year is 2023. I wanted to express my deepest level of gratitude to the university and committee for allowing me the chance to be a part of something so impactful and long-lived. This award allows great relief to me financially, and will support my goals of helping my mentees and community members. Moreover, helping the scholars in the community get back to school items that will set their school year up for success.
