

FALL 2024 LINGUISTICS and LINGUISTIC ELECTIVES COURSE OFFERINGS

In addition to our two regular core courses (LIN230¹ and ENG331), which are offered every semester, **the following LIN minor elective courses will be offered in Fall 2024**. Courses carrying Gen-Ed designations have been noted below to help you select classes that you might use to satisfy a Gen-Ed requirement. Keep in mind that a few of these courses might have prerequisites because they might be for specific majors (and, if so, you might not be able to sign up for them), but most of the courses below do not have prerequisites.

Some of these courses are core requirements or can be used as electives for the [Linguistics BA](#).

Questions? Contact Dr. Sanz (isanzsanch@wcupa.edu), Linguistics Program Director.

CSC220 (Foundations of Computer Science)
