First Destination Survey Fall 2016: Undergraduate Program Students

During November and December of 2016, the Office of Institutional Research of West Chester University of Pennsylvania (WCU) conducted an online survey of students who were intending to graduate with a Baccalaureate degree at the end of the Fall 2016 term. Office of Institutional Research sent out email invitations to the prospective graduates. The purpose of the survey was to assess their future plans. The survey consisted of the broad question: "What is your primary status after *graduation?*" as well as follow-up questions on their employment, volunteer work, military service, and continued education. A total of 299 students responded to the survey. This represents approximately 33.1% of the 903 students intending to graduate in December 2016. The findings of the survey are displayed below.
