#### First Destination Survey Spring 2017: Undergraduate Program Students

During April and May of 2017, the Office of Institutional Research of West Chester University of Pennsylvania (WCU) conducted an online survey of students who were intending to graduate with a Baccalaureate degree at the end of the Spring 2017 term. The Office of Institutional Research sent out email invitations to the prospective graduates. The purpose of the survey was to assess their future plans. The survey consisted of the broad question: "What is your primary status after *graduation?*" as well as follow-up questions on their employment, volunteer work, military service, and continued education. A total of 756 students responded to the survey. This represents approximately 33.9% of the 2,229 students intending to graduate in May 2017. The findings of the survey are displayed below.
