

Enrollment Verification

Students who need an enrollment verification should logon to their myWCU account (<https://my.wcupa.edu>) and click on the link for "Enrollment Verification". This is a free service provided by West Chester University through the National Student Clearinghouse. You may print off the enrollment verification which is considered an official copy of your enrollment at WCU.

If you are printing an enrollment verification **prior** to the start of classes for the term, you need to select the "Advanced Registration" option. For example, if you are printing a verification on August 1st for your fall term which begins on August 25th, please select advanced registration and then click the green "obtain an enrollment certificate" link.
