

Department of Physics and Engineering

Recommended Upper-Division Course Schedule

Academic Years: 2022-2023
2023-2024
2024-2025

	Fall	Spring
Sophomore		PHY 240 PHY 275
Junior	PHY 300 PHY 310 PHY 370	PHY 350 PHY 455
Senior	PHY 410 PHY 420 PHY 430	PHY 330 * PHY 390 or PHY 480 * PHY 425 or PHY 435

Electives for B.S. Physics majors are shown in orange. B.S. Physics majors must take three courses (9 credits) of electives, therefore at least one elective in addition to PHY 330 must be offered every Spring.

* Based on pre-requisites, PHY 390/480 are accessible to both juniors and seniors and therefore should take priority over PHY 425/435 in scheduling should the numbers support offering only one elective in addition to PHY 330 in the Spring.
