PRE-PODIATRY

Undergraduate Credit Required	Bachelor's degree
Entrance Exam	MCAT
Professional Schooling Required	4 years - Doctor of Podiatric Medicine (DPM)
Professional Schools	Temple University - School of Podiatric Medicine
Professional Organization	American Podiatric Medical Association <u>www.apma.org</u>
Websites	American Association of College of Podiatric Medicine <u>www.aacpm.org</u>
Major	Students can major in any subject at WCU for Pre-Podiatry. The most common majors that align with podiatry school pre-requisites are Biology: Cell and Molecular Biology, Biology: Integrative Concentration, and Chemistry: Chem-Bio.

REQUIRED AND SUGGESTED ELECTIVES FOR WCU UNDERGRADUATE STUDENTS

The following course recommendations are general requirements for Podiatry programs. For the specific requirements of your school of choice and whether AP/IB credit is accepted, please refer to that school's admissions website or contact those schools for a list of entrance requirements.

PODIATRY SCHOOL REQUIREMENTS

Biological Sciences					
BIO 110 General Biology I, BIO 111 General					
Biology II, BIO 211 Cell Biology					
Course	Term	Grade			
Genetics (recommen	ded by some s	schools)			
Course	Term	Grade			
BIO 230					
Microbiology (recom	mended by me	ost schools)			
Course	Term	Grade			
BIO 214					
General Chemistry v	General Chemistry with lab				
Course	Term	Grade			
CHE 103 & CRL 103					
CHE 104 & CRL 104					
Organic Chemistry with lab					
Course	Term	Grade			
CHE 231 & CRL 231					
CHE 232					
Biochemistry (recommended)					
Course	Term	Grade			
CHE 476					
Anatomy and Physiology (recommended)					
Course	Term	Grade			
BIO 259					
BIO 269					

English Composition (2 courses)			
Course	Term	Grade	
Calculus and S	tats (required b	y most schools)	
Course	Term	Grade	
MAT 121			
MAT 145			
Physics with la	b (2 courses)		
Course	Term	Grade	
PHY 130 or 170			
PHY 140 or 180			
Psychology and	d Sociology		
PSY 100			
SOC 100			

SUGGESTED ELECTIVES

BIO 357. Comparative Vertebrate Anatomy

BIO 428. Animal Histology

BIO 431. Molecular Genetics

BIO 465. Immunology

BIO 468. Comparative Vertebrate Physiology

BIO 469. Human Physiology*

CHE 477. Biochemistry 2

^{*} Does not count as a Biology major elective

Sample Course P	lan of Pre-Podiatry Requirements
Semester 1 CHE 103 CRL 103 BIO 110 WRT 120 MAT 121	Semester 2 CHE 104 CRL 104 BIO 111 WRT 2XX MAT 145
Semester 3 CHE 231 CRL 231 PHY 130 BIO 210 General/Major Election	Semester 4 CHE 232 PHY 140 BIO 211 General/Major Electives
Semester 5 CHE 476 General/Major Election	Semester 6 General/Major Electives ives
Semester 7 General/Major Electi	Semester 8 General/Major Electives

Courses Cove	ering MCAT 2015 content
BIO 110	CHE 476
BIO 111 BIO 210	CHE 477
BIO 211	PSY 100
	SOC 100
BIO 259	
BIO 440	
BIO 468	
BIO 469	
CHE 103 and 104	
CHE 231 and 232	
PHY 130 and 140 or	170 and 180
Statistical reasoning skills tested on the MCAT may be obtained through science courses or through taking a statistical methods course (see front for options).	
Meet with the Pre-Medical Director to develop your	

MCAT preparation plan.

BEYOND ACADEMICS

Pre-Podiatry students are encouraged to participate in activities and experiences such as leadership roles, volunteer work, research, and shadowing, which will help them prepare for podiatry school and the podiatric profession. Activities beyond the classroom play a significant role in a student's application to a professional school program. Such experiences demonstrate a commitment and knowledge about the profession. In particular, shadowing podiatry professionals and involvement with the Pre-Med Club and Minorities in Medicine will help students learn more about the profession of podiatry.

APPLICATION AND ADMISSION

Applications: AACPMAS is a service of the American Association of Colleges of Podiatric Medicine (AACPM). AACPMAS allows podiatric medical applicants to use a single web-based application and one set of transcripts to apply to all nine schools and colleges of podiatric medicine. https://aacpmas.liaisoncas.com/applicant-ux/#/login

ENTRANCE EXAM

The Medical College Admissions Test (MCAT) is required and scores released to AACPMAS. The MCAT is a computer-based exam that is offered on set dates throughout the year. It is recommended that you take standardize exam prior to February of entering year, however some schools will accept exam results through June of entering year. Exam results are valid up to three years prior to start of current application cycle. Recently, MCAT total scores of accepted applicants have averaged 499. Information about the exam, registration, and the Official Guide to the MCAT can be found online at https://www.aamc.org/students/applying/mcat/mcat/2015/.

ADDITIONAL APPLICATION INFORMATION

Applications to Podiatry school require a **personal statement** and **letters of recommendation/evaluation**. The number of required letters varies by school. For the WCU Pre-Medical program, you will need to collect a minimum of 5 letters of recommendation (at least one from a Podiatric Physician) and have them submitted to the pre-med office prior to requesting an interview from the pre-medical committee.
